

Baldon Wind Farm Complaints Handling Process

Baldon Wind Farm takes all complaints seriously and aims to acknowledge and resolve complaints in a timely manner.

This document aligns with the internal Goldwind Australia Complaints and Enquiries Policy and the Baldon Wind Farm Enquiries and Complaints Handling Plan.

What is a complaint and who can make a complaint?

A complaint as an expression of dissatisfaction made to or about Baldon Wind Farm, related to its services or staff, where a response or resolution is explicitly or implicitly expected or legally required.

We acknowledge that anyone has a right to lodge a complaint and we will ensure that all the complaints we receive will be managed respectfully, objectively and efficiently. At times, clarification may be required regarding whether a stakeholder is lodging a complaint rather than an enquiry.

How do I lodge a complaint?

- Calling the project on 1800 050 209 (24 hours)
- Emailing info@baldonwindfarm.com
- Writing to Level 25, Tower 1, 100 Barangaroo Avenue, Barangaroo, Sydney, NSW 2000

What happens after a complaint is lodged?

Where complaints are received in person, via telephone or email, we aim to provide an acknowledgement and initial response immediately if possible, or the next working day. Where complaints are received by post, we aim to provide acknowledgement and initial response within five working days.

Following this, the project team will assess the complaint and coordinate an investigation (if required) and propose resolution measures. We aim to communicate the results of investigations and proposed resolution measures within five working days.

Communication of the resolution should include:

- actions were taken in response to the complaint;
- outcome(s) of the complaint;
- rationale for any decisions made;
- proposed resolution offered;
- request for feedback from the complainant as whether the information provided has resolved their complaint; and
- information on escalation options available to the complainant.

A complaint will be considered closed when a complainant advises that they consider the complaint resolved. Alternatively, if no response is received from the complainant within ten working days, the complaint will be considered closed.

How can I have a complaint further investigated?

If you believe your complaint has not been resolved satisfactorily, you can escalate your complaint by contacting the following office:

- Australian Energy Infrastructure Commissioner
 - Website: <https://www.aeic.gov.au/>
 - Email: aeic@aeic.gov.au
 - Post: PO Box 24434 Melbourne VIC 3001
 - Telephone: 1800 656 395

Complaints Register

It is a requirement of the project approval for all complaints to be recorded in a Complaints Register. This register may be made publicly available and may be provided to regulatory bodies. Your privacy is very important to us and your personal information will be kept confidential. Records of complaints will be maintained for a period of at least three years.
